KING AND QUEEN: Pam Panek and Michael Walter.

Court and escorts dance.

1986 SENIOR PROM COURT AND ESCORTS: Risa Goldman, Stacey Blacker, Monica McKinnon, Queen Pam Panek, LeeAnn Bradley, Joyce Stephansky, Kristen Bowman.

Pia Lalli and Stacey Sewcyk parade by

Lynn Young with "sunglasses at night" style

Greg Sheedy and Robin McNamara.

John Tamaro uses ice cream to tempt Paula Lorenz.

Having a "grand" time at the "grand ball" are (sitting) Stan Loring, Diane Kennedy, Brian Melvin, Stacey Lyerla; (standing) David Halperin, Robin Young.

Shelley Brown and Barry Spoilberg enjoy their dinner.

Slow dancin' and swayin' to the music with one eye on the video screen.

Marian Fortier and Jim Maloney lead a circle of dancers.

The dance floor fills as the evening progresses.

Eric Drugge, Alyssa Zazlow, Ronnie DiMatteo, John Tamaro, and Lisa Rossi chat for a while before entering the Sheraton Tara.

Jennifer Marotta enjoys a friendly talk with everyone's friend, Martha (McNevin).

Kristine Desmond and John Fischera follow along as the grand parade (to select the queen and court) circles the floor.

What would Queen Victoria (or the SHS handbook) say? Kathy Kime, Dianne Walsh, Kitty Coe, Susan Nestor, Michele Rodrigues, and Karen McAllister in a "shocking" display!

It's a photographic world! Elisa Tiberian handles the video camera, which is now "required" at all functions! But video doesn't take the place of that old-fashioned personal camera, also necessary to hold on to one more memory!

At the close of a splendid, memory-filled evening, Julie Tibets and Eric Saperstein discover our school symbol on wall of the Tara.

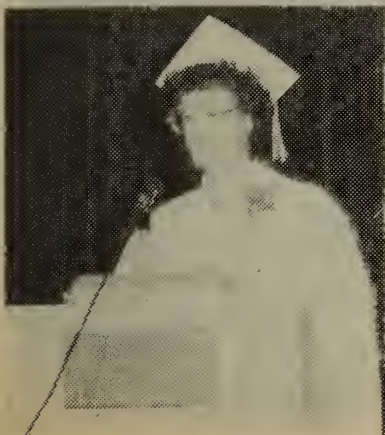

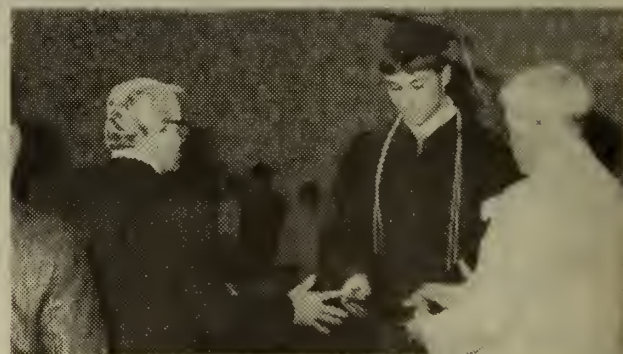

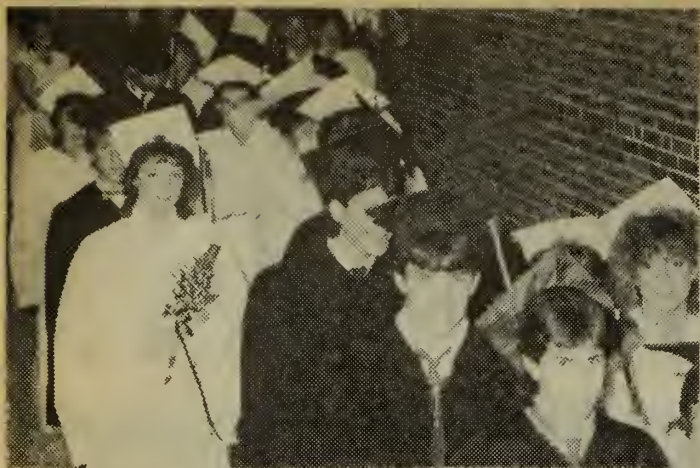

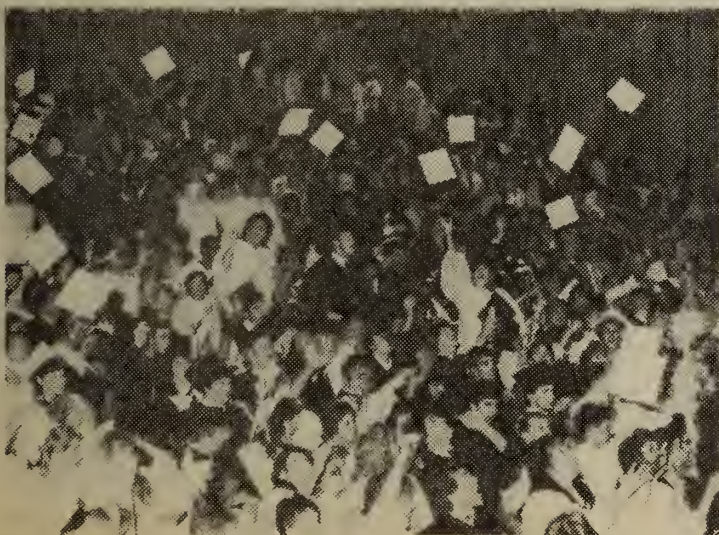

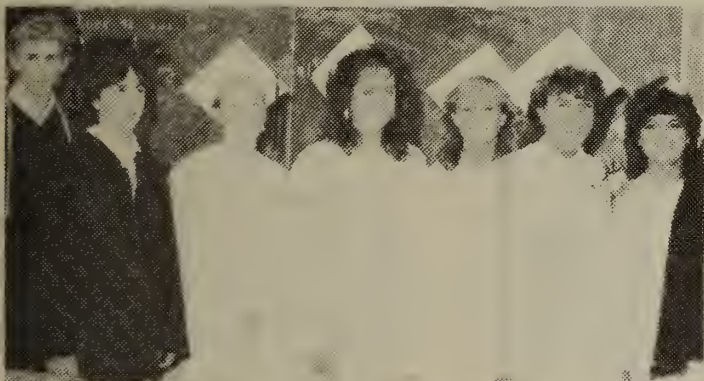

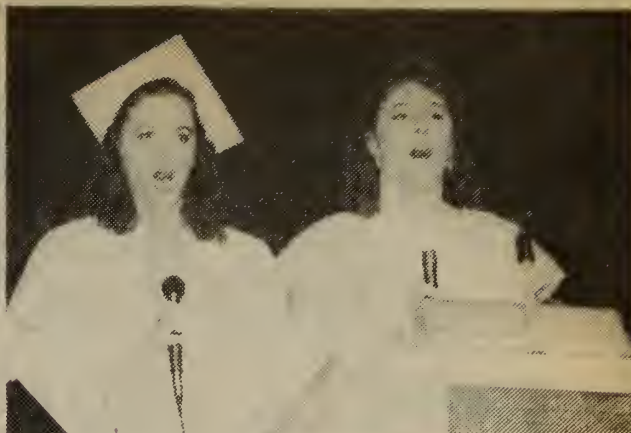

CLASS  
NIGHT

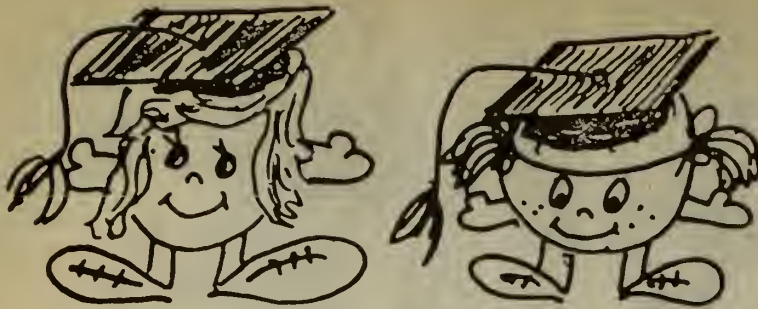

# GRADUATION

There you go,  
a stream of flowing robes  
sauntering toward the June sunset.  
The dignity of the ceremony  
hangs too loose  
about your shoulders.  
I see sneakers shuffling  
under graduation gowns  
and I thank you secretly  
for this youthful carelessness  
that makes me smile.  
I stop you briefly  
to adjust a tasselled hat,  
pin on a boutoniere  
and I find it hard  
to let go.  
As the line keeps moving  
steadily away from me,  
I remember a kite I had once---  
all the hours spent  
watching it rise high  
against the summer sky  
until the string was too long  
to reel back  
or maybe I was just tired.  
But how it both fascinated  
and saddened me to watch it fly away,  
disappearing from sight  
to become part of another world.

--Kathryn Penardi

MEMORIE

"A man's real possession is his memory.  
In nothing else is he rich,  
in nothing else is he poor."

ALEXANDER SMITH

As in the case with all life's experiences, what we take with us from our high school years are our memories.

We carry with us remembrances of the sights and sounds of Stoughton High ... the bells ... the PA announcements ... the moment of silence ... the cheery 'hi and the depressing frown ... the wins and the losses ...

We remember the courses we liked and the courses we didn't like, the electives we picked, and the ones we were somehow picked for ... Commons and the Snack Bar ... the *despressing C* — that we didn't expect and the *joyful C* — that we didn't expect ...

And — those vacations ... the scheduled vacations that didn't come often enough and the unscheduled "breaks" in the year's monotony: the snow storms and hurricanes and the ever-welcome "Following are changes in today's schedule ..."

We remember not only friends we hope to keep forever but we also remember friends that, sadly, we shall have to keep forever only in our memories ...

Shakespeare said, "I count myself in nothing else happy as in a soul remembering my good friends" ...

To our good friends and to our good memories, the '86 STOTONIAN dedicates its opening section, an album of memory pictures.

“Remember me when I am  
gone away,  
Gone far away into  
the silent land.”

ALEXANDER ROSS

"Our memories are gradually weaned fr

from the glories . . .” (GEORGE WILLIAM CURTIS)

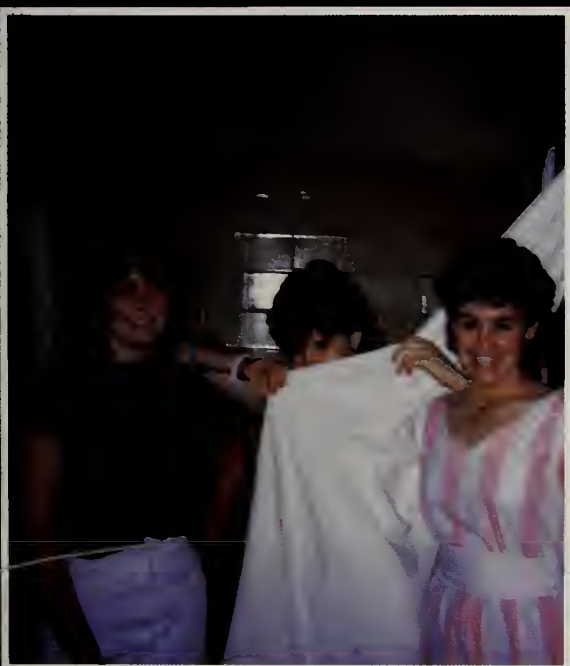

“I cannot but  
remember such things  
were that were most  
precious to me.”

(SHAKESPEARE)

It Was a Very Good Year" — FRANK SINATRA

"As time goes on I realize just

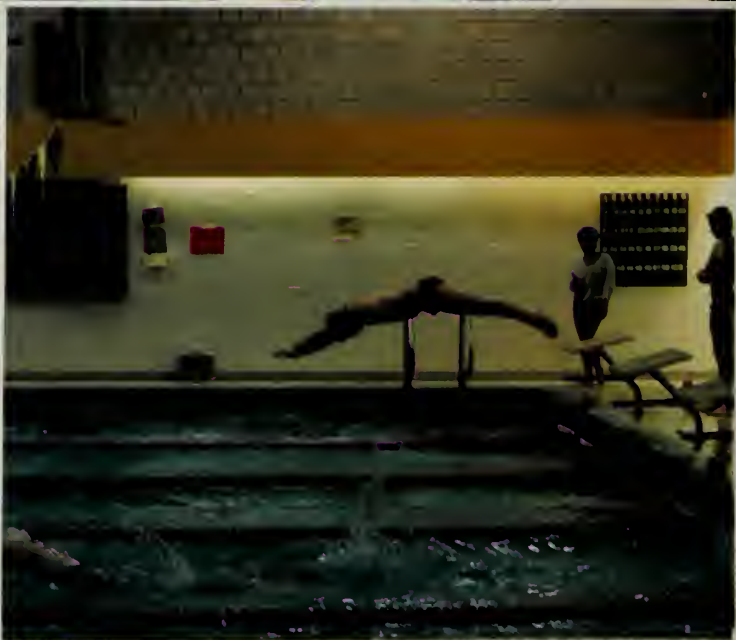

what you meant to me." (COLOUR MY WORLD)

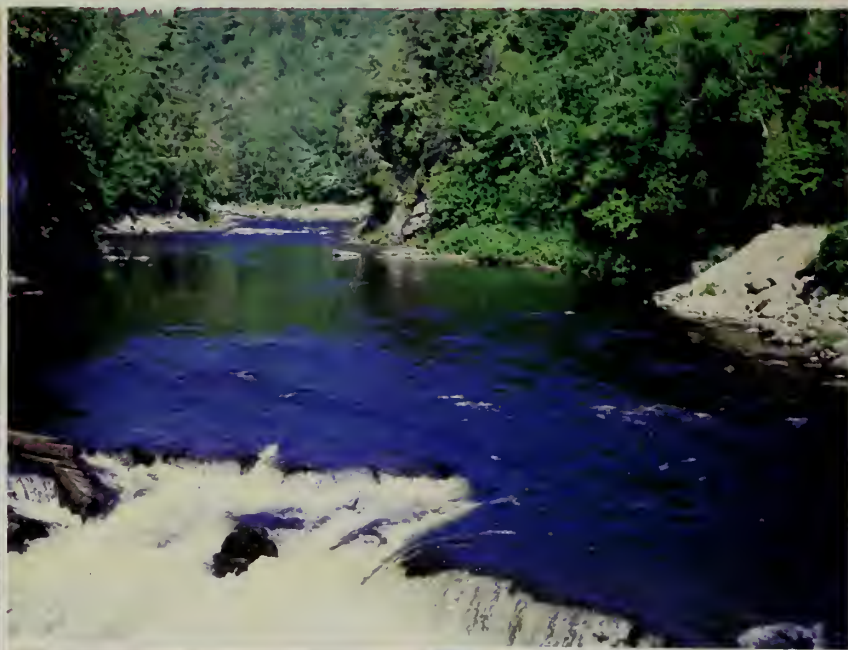

“Go where glory  
waits thee  
But while fame  
elates thee  
Oh, still  
remember  
me . . .”

(THOMAS MORE)

“ . . . to remember days that  
have gone by  
And dream and dream  
that I am home again ”

RONALD DiMATTEO

#### TO THE CLASS OF 1986:

I would like to thank the class in letting me serve as president of the best class that has ever graduated from Stoughton High. It has been quite an experience working with such a unique and spirited class. I am also proud to say that every activity has been a huge success. Activities ranging from Donkey Basketball to the Powderpuff Football Game would not have been successful if not for the cooperation of the class membership.

I would like to thank all the class officers who ever served the class for their dedication and support. I would like to express deep appreciation to Mrs. Casserly, and especially Mr. Weiner, for their advice and guidance in all that we did.

To each member of the Class of 1986, congratulations and good luck in your future endeavors.

RONALD J. DiMATTEO

#### TO THE CLASS OF 1986:

The past three years working with the Class of 1986 have been the most enjoyable and rewarding years of my teaching career. Through many of our experiences, I have come to know so many of you very well. These relationships are very special to me. I hope that they mean as much to you as they do to me. The Class of 1986 is like a family. We're always there for each other.

Remember all the work for spirit halls, the car wash at Pizza Hut, the Homecoming Spaghetti Supper, the Donkey Basketball games, the Winter Dances, the candy cane sale, all the M&M sales, the ski trips, the Junior Prom at Lantana, the class trip, the Senior Prom at the Sheraton Tara and, of course, all the Wednesday afternoon meetings.

When I think of the Class of 1986, I am so proud of you — your enthusiasm, your spirit, and your determination to succeed.

I will always cherish our friendships and all the memories. I wish all of you all the happiness and success that you so richly deserve. With love and best wishes.

# IN MEMORIAM

*"Honor those who are dead and gone with remembrance, not with tears . . ."*

From St. Chrysostom: Commentaries

## YOUNG FLOWER

(Dedicated to the memory of Charles Tucker)

A young flower bloomed today  
But the world never noticed  
Its beauty and its grace.  
A miracle of nature  
Has come alive.  
No one knew.

Although many walked the path  
Few stopped to take in  
Its many attributes.  
They thought there would be time.  
Why waste it on little flowers?  
Time never came.

A young flower died today.  
The world is all in mourning  
Over petals never touched or smelled.  
The rare existence  
That was overlooked.  
It's too late.

(Sheri Elena Hewson)

## CHARLES TUCKER

## CINDY BRADBURY

She passed away like morning dew  
Before the sun was high;  
So brief her time, she scarcely knew  
The meaning of a sigh.  
(Hartley Coleridge, Early Death)

## MIKE LEE

Man with the burning soul,  
Has but an hour of breath,  
To build a ship of truth,  
On which his soul may sail —  
Sail on the sea of death,  
For death takes toll  
Of beauty, courage, youth,  
Of all but truth.

(Truth, John Masefield)

## DEDICATION

The editors of the STOTONIAN salute Mrs. Joanne Blomstrom and Mr. John Dacey for many years of service on the Stoughton School Committee.

As they retire from the committee, they go with the gratitude of many years of high school students for their efforts on behalf of a better educational deal for the students, particularly during the trying years of the initial impact of Proposition 2-½.

Students really don't know too much about the school committee and what goes on. Yet, we all benefit from their efforts.

Thank you, Mrs. Blomstrom and Mr. Dacey, for your untiring efforts on our behalf and for your dedication to the ideals of a better educational system for each of us.

## SCHOOL COMMITTEE — CENTRAL ADMINISTRATION

To the Class of 1986:

Congratulations on the occasion of your graduation from Stoughton High School. I have had the privilege of knowing many of you since your kindergarten years and have enjoyed watching you grow both in age and, hopefully, in wisdom.

The mission of the Stoughton schools, simply stated, is to provide the type of education that will meet the individual needs of all of you. This mission is not limited to educational needs in the narrow sense but in a more general way to touch upon the inherent dignity within each one of you that will translate into a more meaningful life style. Today, more than ever before in our history, the quality of life depends upon careful and fully informed citizens to protect both the environment and the freedom of the world. Your obligations as members of society will make greater demands on you and your children in the many years ahead.

We have prepared you well for the task ahead and wish you well in both your educational and business endeavors. Your parents and your school share in all your hopes and dreams and I personally would like to thank your parents for serving as such wonderful partners in your educational program.

On this, the occasion of your graduation, my fondest wishes are for your health and happiness. I do hope you will come to visit us as often as you may wish. We look forward to seeing you and, again, congratulations.

Sincerely,

# DEDICATION

The '86 STOTONIAN SPORTS STAFF dedicates the sport section of the yearbook to the boys cross country team and to Coach John Hurley.

The team, winning three consecutive titles and suffering only one loss in those three years, has represented Stoughton High athletics with consistent success giving all of us a sense of pride.

*We also salute . . .*

The all-league performers: Sheila Jackman, Nancy Bechet, Tracey Aguiar, Jim Costa, Ignacio Silva, Eric Saperstein, Scott Weiss, Mark Gomes, Lisa Alexson, Brian Lanner, Susan Hurley, Paul McGovern, and Terry Buggs.

## GOLF

Not far below the .500 mark, the golf team posted a 6-8-2 record. The 13-man squad led by seniors Steve Gallerani and Capt. Mike Foley had a somewhat disappointing season. With eight returning players on the team this year the boys had hoped to place higher but finished 6th out of the 9 in the league.

Biggest upset of the year was a victory by SHS #1 seed, Steve Gallerani, over an Oliver Ames opponent, considered the No. One player in the league.

Completing their final season were seniors Mike Foley, Gallerani and Scott Director. Two strong prospects for next year are freshman Chris Melendy (7-2) and junior Rob Grania who had the best record on the team (11-3-2).

## A SALUTE TO CHEERLEADERS

They're always off to the side or up in the stands. They never get in the game but they are as much a part of the game as the players themselves. They are the cheerleaders, and over the years precious few have been as dedicated and spirited as they have. In the snow of Thanksgiving or the cold of a rink, their never-ending spirit always shines through. No matter what the score, they still chant "We are proud of you!"

And so the seniors of the football-basketball, soccer-hockey teams say, "Thank you!" to Paula, Michelle, Cheryl, Maria, Pia, Lisa, Laura, Dianne, Carol, and Stephanie.

## FOOTBALL

With a 1-8 record, it may seem that the varsity football team suffered a disappointing season. Although the Knights failed to better their record under first year coach Tom Fitzgerald, a great difference was noticeable. Games that were blowouts last year were near misses this year. One bright spot was the fact that the 41 points the Knights scored in their victory over King Philip was the most points scored by a Stoughton football team in over five years.

Lack of depth, key injuries and, at times, a lack of self-discipline on the part of some of the more excitable players contributed greatly to the record. Boasting a small squad which forced players to play for a long time on both offense and defense, and facing a season-ending injury to key player Steve Murray, the Knights managed to perform creditably against their larger opponents in every game.

The jayvees had a disappointing season. Coach Bill Cotter singles out Terry Steed, Tony Blakely and Allen Oppenheim as potentials for the future, together with Matt McKinnon, Mix-hael Cook and Phil Halperin.

## SOCCER

The unsung heroes of SHS sports, the varsity soccer team continues to roll along on a victorious pace. After finishing with a 10-3-1 record, good enough for a third place in the league, the booters made the tournament again, losing to Falmouth in the sectionals 3-2.

A key part of the offense was provided by Jim Costa, Ignacio Silva and Carlos DeBrugada (an exchange student from Spain). Coach Lucio Santos attributed the good season to strong "team" effort.

Jim Costa led the team in scoring. He was joined on the all-scholastic selections by Ignacio Silva.

Coach Chris Brady's swimmers finished with a 4-6 record. As usual, the swim team had almost as much fun swimming as they do singing on the bus. Led by Laura Stevens and Sue Cody, along with Scott Robichaud, the swimmers defeated Canton for the first time ever. Boasting a squad of eight seniors, the SHS swim team placed 10 in the sectionals.

The 95-77 win over Canton was the high spot of the year. Lynn Young and Scott Robichaud broke school records. Marci Lubofsky, Michelle Aylward, and Mark Wingrove all achieved personal bests. Sue Cody's win in the 100-freestyle broke up a close meet.

As anticipated, coach Sue Braen's girls soccer team did not do well. This is the first year for varsity play for the girls and most teams they faced had greater depth and experience.

Against these veterans SHS put out a squad which was not experienced enough in varsity play. Some of the girls played for the first time last fall at this level.

Standouts included Lesa Dijak, Lisa Alexson, Gina Anna, and Kelly Costa.

Despite the 1-14-1 year, there were some bright spots. One was the win and tie against Canton, the win a 4-1 comeback in the last game of the season. The other was the naming of Lisa Alexson, a sophomore, to several "all" teams.

## FIELD HOCKEY

It took a muddy surface to do what many of their opponents couldn't: slow the SHS field hockey team down. Despite fine goaltending by Nancy Bechet, the girls were unable to hold off Walpole and they lost in a semi-final match, 3-0, in the tournament.

The loss was preceded by three brilliant victories. In the first, the team took a must-win game from Canton 1-0 as Tracy Aguiar scored the lone goal. The win gave them the league trophy and was followed by a 3-1 victory over Oliver Ames in the opening round of the tourney. An upset win over undefeated Norwood 1-0 provided the next challenge... but then came the mud and the season ended at 14-1-4.

Sheila Jackman led the league in scoring and made a host of "all" teams, along with Tracy Aguiar, second in scoring; Nancy Bechet, best goalie in the league with 11 shutouts.

The junior varsity team also boasted a winning record, suffering only one loss in its first 11 outings. The goaltending of Leeanne Murray and Kim Beranrd was tremendous.

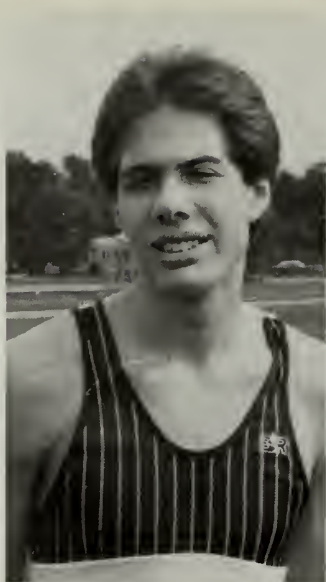

# CROSS-COUNTRY

## (Boys)

The boys cross-country team ended its season with a second place finish in the South Shore Principals' Meet. Coach John Hurley's squad retained their title with a victory in the Hockomock League championship meet. Undeclared in dual meet competition, SHS made it nine straight with top finishers Scott Weiss (2), Eric Saperstein (5), Mark Gomes (8), Lionel Hall (11), Jay Rosenberg (25), Dan Reardon (29).

The cross-country team has been a most consistent winner in the last few years. Their 8-0 record gave them the Hockomock pennant for the third year in a row. Capt. Eric Saperstein was undefeated in the regular season. His co-captain, Scott Weiss, joined him as a member of the league and newspaper all-scholastic teams.

## CROSS COUNTRY (GIRLS)

The girls cross-country team under coach Mike Baxter, ended with a 3-4 record. At the South Shore Principals Meet, Tina Rettman was first for SHS, finishing 10th. Other SHS finishers were Nancy Soares (19), Janine Catalano (31), Donna Guilfoyle (51) and Susan Raisty. The team finished sixth.

Competing in the Eastern Mass. championships, the team finished 9th (out of 25) in Division. Rettman finished 18th and qualified for the state championship.

In the league championships, the girls were edged out of third place by a single point. Rettman finished 5th in 17:39; other finishers were Soares (12), Guilfoyle (19), Catalano (214), Raisty (29) and Laura Backner (34).

The girls lost two meets by two points or less. Last year, only two girls went out for the team and coach Baxter had to go on a "recruiting" drive. This year 10 girls tried out and with only one girl graduating, the girls hope to be a power in cross-country in the future.

## GYMNASTICS

Poor gymnastics! It was another winless season. Despite its best efforts, the young squad was unable to come up with a win and ended with a 0-12 record.

Only three veterans were available at the beginning of the season: senior Sue Cody, junior Dee O'Sullivan, and sophomore Linda Hendry.

In past seasons, one of the problems was getting numbers for a full showing at meets. This year, this problem was further complicated. The season started with no coach and for a while it appeared as if the sport would have to be cancelled. A coach was signed up at literally the last minute and the season got underway.

At least, this year's team had a full squad and was able to compete fully in all events, unlike other years when the girls had no chance of scoring points because they couldn't field the required number of contestants in each event.

You certainly can't fault the girls. They came out for the sport and for practice and for every meet, even though their efforts seemed doomed. They deserve a standing 'O' from any true sports fan.

## BASKETBALL

After a 1-3 start, the varsity basketball team ran off seven wins in its next nine games. Using the running game and pressure defense, the quick Black Knights became contenders in the Hockamock League.

However, tough road losses at North Attleboro and Franklin meant the team would need to win four of their last five games against tough competition in order to qualify for tournament play. A loss at Oliver Ames was followed by three big wins against Sharon, Winchester and Catholic Memorial. The team finished the regular season at 12-8, recording 10-6 in the league for third place.

In tournament play, the team lost a close game to highly regarded Dorchester 68-64.

Joe Barboza was voted as the team MVP. Terry Buggs was named to several league and newspaper all-scholastic teams.

The jayvees finished their season at 7-13. The team displayed great improvement over the second half of the season and in its last game beat undefeated Catholic Memorial 68-64.

## GIRLS BASKETBALL

The girls varsity basketball team suffered a slump this past season, ending with a 4-16 record.

Hurt by a lack of experience, with only two returning starters, coach Dave Tucker found himself further handicapped by a series of injuries. Only two of the 12 players on the squad dressed for every game. Both captains were hurt; Tina Doucette was out for seven games and Sheila Jackman missed all of the preseason plus three regular-season games.

These woes were bad enough, but they came in a season where the Hockomock League boasted one of the strongest line-ups in the state. Of the four semi-finalists in South Sectionals, three came from the Hockomock.

Next year should be more promising. Only three seniors are leaving and Tucker can hope for a more-experienced team with help from this year's strong jayvee outfit.

One caution: The Hockomock League will still be exceptionally strong next year.

# HOCKEY

Despite consistent hard work and a "never say die" attitude, the varsity hockey team suffered a somewhat disappointing season. Posting a 2-16-2 record, Coach Dan Mark's Knights had a difficult time against some of the toughest teams in Division II.

A fractured hand suffered by workhorse Brian Marshall seems to symbolize the entire season for the injury-plagued Knights. Seniors John Tammaro, Clem Leary, Steve Murray, Dave Halperin, and Eric Pushee all contributed to the offense. Stan Loring on defense and Paul McGovern in goal played key roles in Stoughton's efforts. McGovern was named all-league.

With Marshall returning along with linemate David Cunningham, backed up by a fine group of sophomores, the skating Knights have high hopes for next year's season.

## DEDICATION

The '86 STOTONIAN STUDENT LIFE staff dedicates the Student Life section to the Chess team for three years of consistent winning efforts in an activity which celebrates brains and mental agility and not brawn and physical agility.

*We also salute . . .*

The Majorettes who were ready to be discarded just a couple of years ago, yet bounced back and not only revived the activity but have managed to win some of their competitions.

All the musical groups for making this creative activity, both instrumentally and vocally, the largest and most enthusiastic activity at Stoughton High.

The members of SADD who are confronting what is really a "killing" situation, one which affects teenagers more than any other group, and are trying to do something about it instead of just talking about it.

The class members who hold no office, get no prestige, and, unfortunately, too little acknowledgement, but who come to executive committee meetings, give support to class activities through attendance, selling things, paying dues . . . who just don't go around saying "Our class is the greatest" but really try to make it the greatest.

## PRINTING

Under a special government grant several of our students have been working in the graphic arts center, helping out by completing the necessary tasks required in putting together a publication. Among the publications was the Course of Studies booklet for 1986. The students are also involved in the popular Black Knight Cafe. ## CHESS

The chess team has established an enviable four year record: 1982-83, SSICL Division champions; 1984-5, league runners-up; 1985-86, SSICL Division Champions (undefeated season) and league runner-up; 1986, participated in national high school championship.

Sharon Burtman was team captain and first board. A four year veteran, she is the highest-rated player ever to attend SHS. She is ranked as the 27th top woman chess player in the United States. A chess tournament player, Sharon has competed in almost 60 tournaments throughout Eastern U.S. since 1983. She has earned many titles.

Other members of the championship group were Jay Seliber, 2nd board, a four-year vet; Louie Poillucci, 3rd board, a chess tournament player, who has been an SHS member for three years; Eric Kramer, three years; and Rick Saperstein in his first year.

Mrs. Thea Kauffman deserves considerable credit for having made chess one of the major activities at Stoughton High.

## '86

Many seniors worked on the yearbook, particularly during the first semester. Some of them got together for the picture on the next page. We thank them for whatever time and effort they gave us; we are equally grateful to the others who were not present for the picture, but who worked equally hard.

We thank the juniors who pitched in to help with the layout work during the second semester and to many sophomores and freshmen who helped with identifications and in carrying out other chores for our staff.

That the book is coming out as well as it did depended on a handful of seniors who spent many extra hours, including some vacation time. These coordinators and editors are shown on these two pages. They deserve your gratitude.

Many students answered our appeal for color pictures; we were able to make some good choices from the thousands that were turned in. We are sorry that we couldn't use so many good ones.

Many of the faculty and informal photographs were taken by Jodi Kublin. Mr. Terry Griffin of Blackwell took most of the others.

Torey Thorpe designed the cover; Peter Gay did the end sheets; Eric Kramer did the art on Pages 2-3; Lesia Dijak contributed the art for the title page.

We are thankful to Mr. Weiner and the class officers for the class contribution in making eight additional pages in color possible.
